Calling All Alumni Classes to be Represented!!

We are excited to announce that the Booker T. Washington Annual Fellowship Breakfast is scheduled for April 18! This cherished tradition brings together alumni from all classes to celebrate our shared legacy, connect with old friends, and make new memories.

This year, we will be honoring the Class of 1976 as they celebrate their 50-year (Golden) anniversary, along with the classes of 1936, 1946, 1956, 1966, 1986, 1996, 2006, and 2016. We ask that all alumni classes show their BTW pride by being present at the fellowship breakfast. Whether you graduated many years ago or just recently, your participation adds to the energy and spirit of our alumni community
